

BUDWEISER CHAMPIONS CLUB

The Budweiser Champions Club is the only space where guests have a full view of the interior of the stadium, with the exception of party suites. Perfect for daytime meetings, this room is conveniently located adjacent to four breakout suites that can accommodate 50 guests each. This space is most commonly used for receptions and/or dinner and can accommodate up to 250 for a reception or 180 for a plated dinner. While the room can be set up any way you need for your event, the existing room set up is a collection of low square cocktails tables with a finish that does not require table linens unless you choose. For meetings, the Budweiser Champions Club is ideal as the main session room with four party suites adjacent to utilize as breakout areas.

The event space is conveniently divided by a window-lined corridor taking guests from one reception area to an adjoining dining room. Additionally, there are 225 seats outside protected by an overhang, so guests can step outside and enjoy the fresh Rocky Mountain air! Events in this space have the option to incorporate scoreboard messages into their event among other visual dynamics. Multiple TV's are positioned in the room for additional flair.
