

PLAYERS PAVILION

Additionally, for event suppliers the Players Pavilion is easily accessible with drive in, load in.

The rooms existing simplistic interior offers an event designer a blank slate in which to create an extravagant theme party or presentation stage! The walls are painted white, the floor is a smoothed concrete and the ceiling displays a technical grid that can simply be disguised with lighting or ceiling treatments.

For dining this space can accommodate up to 1,400 with sightline to a main stage or 2,000 for a reception.
