

VISITORS LOCKER ROOM

This unique event space offers guests a glimpse of the “behind the scenes”, an opportunity to see where it all takes place. The prep, the team and the celebration of victory! Guests will enter player Tunnel B on the South end of the stadium, creating an experience where typically only the players and the coaching staff have access.

The Visitors Locker Room offers a creative backdrop for your event whether you are hosting a new product launch, sales kick off, customer appreciation event or a rehearsal dinner! The lockers can be personalized with your guests names or creatively have presentation materials or gifts displayed within.

With direct access to the field it is common for events in the Visitors Locker Room to incorporate field activities into the event. Whether a punt or pass competition guests enjoy the opportunity to be out on the field while enjoying libations!

Catering Services: You have the option to use either of our two in-house premier caterers for your food service and then you will work with Centerplate Catering for bar service, should you select to offer.
